Dahlia Exhibition Chairs: Colin & Roger Walker

The Federation of Northwest Dahlia Growers thanks everyone who traveled to the beautiful Pacific Northwest for this year's American Dahlia Society National Show. While most exhibitors were from this region, the show committee would like to extend special thanks to exhibitors who traveled great distance to participate in and/or bring blooms to the show. We wish Central States Dahlia Society the best of luck as they prepare for next year's show in Chicago!

Alberta Dahlia and Glad Society Annual Flower Show
Aug 23 and 24, 2024
Piper Creek Trial Garden, Red Deer, Alberta

Our annual flower show was wonderful, as usual. It was beautiful weather under the three tents. A ton of preparation and work was done by the volunteers, especially Mike Walliser, Herb Noyes, Clarence Swinimer, Shirley Cullum, Terri-Lynn and Ron Dodd, Debbie Hatt, and Marilyn & Lorne McArthur. We could not have done it without you.

The tents and tables were put up and arranged the day ahead so staging started early Friday morning. Everyone was busy placing their exhibits and filling out the entry tags, scrambling sometimes to find the right name and classification number. By 1:00 pm most of the exhibits were in place and Deb Hatt and Ken Jensen advised the judge and clerk instructions. Mike Walliser chose the judging teams and Maxine bravely manned the head table by herself writing the names on the winners' cards. Terri-Lynn made sure the head table entries made it where they were supposed to be.

Reg Powys-Lybbe did a special glad spike judging class with a group of members who are on their way to be glad spike judges. The public began to arrive at 4:00 pm and there were many oohs and aahs at the beautiful entries.

Special thanks to Shirley Cullum who organized the "Woodland" décor including the quilts along with her trusty crew, Terri-Lynn Dodd, Clarence Swinimer and Herb Noyes. Thanks to everyone who donated the use of their quilts without question, trusting that they would be safe and come back clean and dry.

Terri-Lynn and Shirley had kept some dahlias, glads and foliage aside for sales of bouquets on Friday and Saturday and then at 4:00 on Saturday we started to pull flowers from the exhibition tables. The public were able to choose from pre-made bouquets or could select their own flowers for a bouquet. Thanks to Marilyn McArthur who donated four pails of glads for the sale.

Thanks to Cathy Fielden for the tasty lunch (for the judges, exhibitors and helpers) and Ron Dodd who provided the porta-potty. Clarence Swinimer has been such a big help all during the season, even though he is not a member of the club, so the club gave him a gift card to a local restaurant. The volunteer scribes and other helpers received Tim Horton gift cards.

On Saturday we were kept busy mingling with the public and answering questions. Many thanks to the member judges who took time to judge the dahlias and glads in our trial garden. When it was time to pack up we had extra volunteers and everything was done in an hour!

Rumsey, Alberta 2024 Flower Show

The Rumsey Red Deer River Garden Club had their 79th annual Garden Show on Aug 28, 2024. It is always on the last Wednesday of August. Participation in this show, like many other garden shows, has been declining in the last few years. However, the Alberta Dahlia and Glad Society has committed to showing and judging and it is only one of the two sanctioned dahlia and glad shows in Alberta so it is important to us. Our club members brought most (if not all) of the dahlias and glads and some of the garden entries too. Marilyn McArthur brought several vegetable entries and won many of the awards, her entries proved and showed what an awesome gardener she is. Lorne came with Marilyn this year and helped judge both dahlias and glads. Deb could not judge dahlias or glads because she is apprenticing as an Alberta Horticulture judge and she was judging the other categories. Shirley Cullum is usually combining (farming) but she was able to come with many entries. Terri-Lynn Dodd won most of the top awards for points including the 'King of the Show' with a perfect "Coralie". Shirley Cullum won the best glad spike with "Polar Bear". The Rumsey club provided us with lunch and then there was a wonderful supper following.

Douglas County Dahlia Society hosted the 1st PNDC Conference show since Covid. We were please to see the participation of the conference members. Saturday night, we had a banquet dinner for those who were about to stay awake. It was nice to sit down and talk to dahlia friends. The Clacks had a dahlia garden tour Sunday. I had the out of town guests over for Sunday breakfast. It is good to have a sister who can cook. Thanks to Mark Oldenkamp for bring 5 dozen EggLand Best eggs for the breakfast. It is good to have an egg connection. I want to thank our crew in setting up/tearing down the show - Ron, Mark, Larry, Ginger, Pat, Lyndall, Nancy, Donnell & Elva. We are a small club but mighty. Thanks to our sponsors for funding some awards. We really appreciate your contributions. I think everyone had a good time at the show and we hope to see you next year.

The Novice and Intermediate Sections of our annual show just keep growing. More blooms for the public to view and enjoy. A first this year for the head table – of nine awards seven were won by Novice and Intermediate growers – well done. Hoping they will be back for more in 2025. Changes will be soon happening for our dahlia club – I almost but 'small club' – but I don't think we can be considered small anymore with a membership of over two hundred (and growing). Make gardening plans for 2025 now – good things can happen if all goes according to plan!

Merry Christmas and Happy New Year.

The weather the last three weeks before the show was very favorable this year and it showed in the quality of many blooms. Attendance at Planting Fields Arboretum State Park was excellent with lots of interest in growing dahlias next year, and several participants became new members. The yearly flower show is the largest event the club sponsors each year and continued support from members and many volunteers makes this a fun event.

2024 Puget Sound Dahlia Society & Seattle Dahlia Society Show

Sky Nursery - August 24-25, 2024 - Shoreline, WA

Dahlia Exhibition Chairs: Art Chmura & Linda Cles

Our exhibitors did not disappoint! We were thrilled to have approximately 3,500 blooms on display at what is typically North America's largest display of dahlias being exhibited. Though the 2024 ADS National Show just two weeks later topped our show's bloom count, we could not be any happier about the quality and quantity of blooms brought from around the Pacific Northwest. We once again welcomed club member Steve Cox for his periodic pilgrimage to the PNW from his home in Australia.

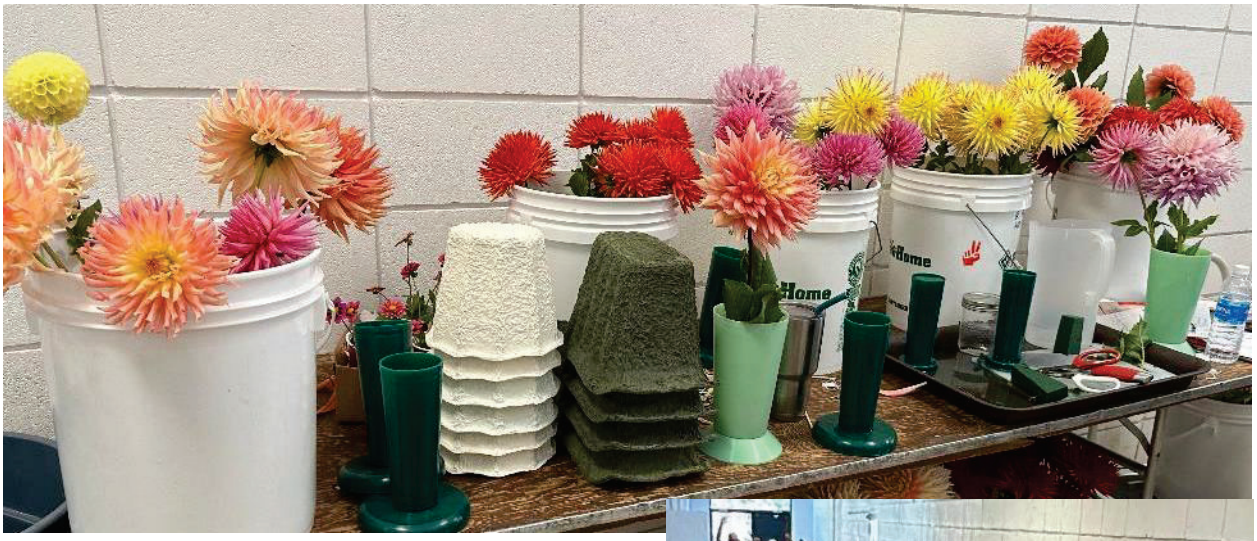
Everyone pitched in to make the 2024 show celebrating the 90th year of the San Leandro Dahlia Society spectacular. It is amazing to note that our society has been active locally since 1925 and was incorporated in 1934. Here are some of the highlights; the incredible set up and cleanup crew, our new PA system, a wonderful photo op with a floral 90 topped with a heart, flower sales that the public loved, opportunities for judging practice with triples, a Friday evening feast of food for the

exhibitors, brisk T-shirt sales, 8 new members enrolled, digital tallying perfection, four Junior exhibitors, the end of the show blooms repurposed to our local Senior Center and hospital and an incredible gourmet luncheon donated by Salt and Honey catering company. Kudos to all for the wonderful blooms on display, the member support for first time exhibitors, our beautiful award ribbons, and to the San Leandro Public Library Director and the Mayor of San Leandro for their support.

Southeastern Michigan Dahlia Society

SEMDS Flower Show, 9/7-9/8, 2024, Orchard Mall, West Bloomfield, MI

Our 2024 SEMDS Dahlia Show was a huge success. We had more exhibitors this year, twenty-two, than any previous year. And the mall was transformed by our blooms. There were 649 entries totaling 1,011 blooms. We almost ran out of vases, such a problem to have!



While the public saw the flowers, the people behind the scenes were the real stars, our society members. Without them, we wouldn't have had a show. Hauling supplies to the venue, set-up, keeping water barrels supplied with oasis, breakfast and lunch munchies.

Judging, clerking, record keeping, honor table coordination. The team kept working.

Sunday was a beautiful day, and the mall was filled with excited show-goers who were happy to rehome the blooms. That spectacle, the giving away of the blooms, takes only minutes, and our members were faced with tables full of empty, soggy vases. The vases

were cleaned, the detritus swept, the boxes were packed and stuffed into awaiting vans and SUVs and whisked away to be stored until next year….
