*The Snow Bird option is for members who regularly have more than one mailing address during the year. We update the address and send all publications by first class or airmail so the post office will forward publications. The post office does NOT forward publications sent by bulk mail. (ADS regular mail service in the United States).

**The Composite Listing of Dahlias 1976-2007 is a complete manual listing all of the named dahlias that won two blue ribbons or more in at least one year during this period at US/Canadian Dahlia Shows. It lists the name of the flower, its classification, originator and year of introduction.
