Heather Jamieson, the club's president ran off with the first Sweepstakes offered by the new society, closely trailed by Cory Kelso! Unfortunately seasoned exhibitors Rick and Linda Hicks were hit by tremendous heat and were conspicuously absent from the head table. Judges from the Monterey Bay and John SAtowell Dahlia Societies, Kristine Albrecht, Iris Wallace, Karen Zydner, Ken Masurat, and Kevin Larkin helped the new club produce and judge their first show. Special thanks to the Mid-State Fair Floriculture Department for hosting this fun event. We know there will be many more to come!</p>
