This was the second "Official" Dahlia Show held by the Central Coast Dahlia Society. Although a bit smaller than their inaugural show held a week earlier the bloom quality was superior thanks to great weather leading up to the show. The show was dominated by Heather Jamieson and Cory Kelso, but the Sabols and the Hicks' had some really great entries! The Central Coast Dahlia Society is off to a great start being able to host two shows and a successful tuber sale in their first year of existence!!
