

ATTENTION SHOW CHAIRMEN AND SHOW SECRETARIES

Please use the *Bulletin* Show Form to submit your show results for publication in the *Bulletin*. There is a limit of one page per society for a show report for the December issue. Societies that hold multiple shows may use a second page to report on additional shows. Conference show reports may be up to two pages when printed. This form has the MAXIMUM number of awards that will fit on one page. We recommend that you list the most significant awards at the beginning. It is up to each society to decide which awards should be listed. If the number of awards is extended, the Editor will shorten the report to fit on one page.

You may also submit a Website Show Report form if you would like to list more than one page of results for publication on the ADS website. Please list all results you would like listed on the website.

Show reports should be sent to Linda DeRooy Holmes-Cook via email at lholfmescoo@aol.com (preferred) or mailed to her at 1640 Huntwood Lane, East Wenatchee, WA 98802. Please print or type carefully, and be sure to include your contact information, in case we need clarification on anything. Thank you.
