

2019 IMAGE SUBMISSIONS FOR 2020 NEW INTRODUCTIONS

**Claudia Biggs, Coordinator dbiggs@mindspring.com
3332 W. Elmhurst Ave. Spokane, WA. 99208 (509) 326-1953**

The goal of the ADS Image Library is to offer images of the highest quality possible available for distribution. Only DVD programs will be made available.

The library will accept 4x6 glossy prints and high quality image files on CD or DVD discs. **Images can be sent on a disc or by email**. Multiple copies of the same image are not required. **2020 New introductions** must be received by **November 1, 2019**. The new introduction program will include dahlias grown in a trial garden that passed with a score of 85 or judged on a seedling bench. **Additional images of dahlias that were not grown in a trial garden or judged on seedling bench will be included but there is a charge of \$10 for each image. Payment should accompany these images along with the data and release form.**

A **data sheet** is requested for each image submitted with an identifying number written on the back of each print, or the number/name of the image file on a disc. Also the person submitting the image, the name of the bloom(s) in the image, location of the bloom(s) when photographed and by whom; year photographed; and size, class, color and variety of blooms(s). the name of the originator, as well as the name, address, and phone number of the current retailer should be included.

A release form is required for each group of images submitted. This gives permission to the ADS to use the images in any manner it desires.

Requests for DVD discs will be sent from the Image Library by first class mail. Copies of the New Introduction Program for 2020 can be ordered through the ADS Store on the ADS web site, www.dahlia.org using paypal, or by check if requested by phone or email to Claudia Biggs. Her email and phone are listed above.

There will be two programs available. The automated program will be available for \$13. The second program will include two discs including the automated program and a separate disc which has only the images in low resolution. This combination set can be purchased for \$20.
