This was the very first "Official" American Dahlia Society sanctioned show held by the Central Coast Dahlia Society since they formed last winter! A dozen members exhibited blooms of excellent quality! Heather Jamieson, the club's president, ran off with the first Sweepstakes offered by the new society, closely trailed by Cory Kelso! Unfortunately, seasoned exhibitors Rick and Linda Hicks were hit by tremendous heat and were conspicuously absent from the head table. Judges from the Monterey Bay and John Satowell Dahlia Societies – Kristine Albrecht, Iris Wallace, Karen Zydner, Ken Masurat, and Kevin Larkin – helped the new club produce and judge their first show. Special thanks to the Mid-State Fair Floriculture Department for hosting this fun event. We know there will be many more to come!

This was the second "Official" Dahlia Show held by the Central Coast Dahlia Society. Although a bit smaller than their inaugural show held a week earlier, the bloom quality was superior thanks to great weather leading up to the show. The show was dominated by Heather Jamieson and Cory Kelso, but the Sabols and the Hicks' had some really great entries! The Central Coast Dahlia Society is off to a great start being able to host two shows and a successful tuber sale in their first year of existence!!

It was a very difficult year for growing dahlias, with a significant decrease in the amount of blooms for this year's show. In spite of the weather, we had a very respectable honor table. Thanks to all the growers who brought blooms - it wouldn't be a show without you! Thanks to Eastgate Mall, who is a wonderful host venue.

Name of Prize Name of Dahlia Exhibitor

The first show of 2019 sponsored by the Rhode Island Dahlia Society was held at the Washington County Fair on August 17-18. Although the number of entries was about half the normal amount, due mostly to the oppressive heat during June and July, the Court of Honor was magnificent. The show was seen by more than a thousand people.

Many thanks to all the volunteers from the RIDS and the Fair staff, which made the show function smoothly. As always, we look forward to better conditions for our gardens in 2020.

This show would not have been so great if not for all of the growers, judges, clerks and helpers. It was encouraging to see new candidate judges join our judging teams - that bodes well for the future. We thank everyone who made this show a success.
