Address-----Telephone \_\_\_\_\_

Date Shipped: \_\_\_\_\_ By-----

1. Make a reservation with the Trial Garden Director(s) for your entries before you send them.
2. Check their desired arrival date and conform to their expectations.
3. Send 3 healthy tubers or plants. By virtue of sending an entry you give us permission to have the entry tested for virus. Entries with foliage showing obvious signs of virus will be removed.
4. Include a picture of the bloom with each entry.
