

NORTH CENTRAL WASHINGTON DAHLIA SOCIETY

“GREAT DAHLIA EXHIBITION & SEEDLING BENCH EVALUATION OF 2021:

THIS WAY OUT OF THE PANDEMIC”

**September 25-26, 2021
Pybus Public Market
3 North Worthen
Wenatchee, WA 98801**

In lieu of a Judged Dahlia Show, the North Central Washington Dahlia Society (NCWDS) will be sponsoring a Dahlia Exhibition in 2021. Although the bulk of this exhibition will not be judged, we will be hosting our ADS Seedling Bench, ensuring that our regular new seedling evaluation will be happening. We invite growers of all abilities to exhibit dahlias in all the main horticultural and other special classes.

Cash prizes will be awarded by random drawing from tickets given to exhibitors for every entry they bring to the show. Everyone will have a chance to win!

There will be a few judged sections:

- **ADS Seedling Bench Evaluation**
- **1-10 Bench for Undisseminated Seedlings**
- **FNWDG Dahlias of the Year – Clearview Cameron and Elvira**
- **NCW Challenge Dahlia – Bloomquist Jean**
- **Baskets**
