

Society Name **Central Coast Dahlia Society**

Date of Show **August 14, 2021**

Show Location **San Luis Obispo, CA**

Show Chairperson **Heather Jamieson**

This was our first official dahlia show for our new club. Our first show was a tremendous success. Many of our members showed their dahlias for the very first time, and so much was learned by the new and the more seasoned members. We cannot express enough thanks to so many from the Pacific Southwest Dahlia Conference who helped answer questions and guided us through the show process. We are extremely grateful to the help, support given to our young club. Many judges came from out of the area to help lend a hand and teach us the ins and outs of the show process. We are looking forward to growing and learning more for the future.
