

Hart, Dudley, Gullikson Awards For Immediate Release

The American Dahlia Society (ADS) has announced the winners of 2021 medals of honor, awarded to the top scoring new dahlia introductions. These varieties are the future stars of the dahlia garden.

The **Derrill Hart Medal**, signifying the high scoring new introductions evaluated in ADS sponsored trial gardens throughout North America:

- Felida Splendor, a giant red lacinated type, hybridized by Eric Toedtli, Vancouver WA.
- KA's Papa John, a large white informal decorative, hybridized by Kristine Albrecht, Santa Cruz CA.
- Allen's Bramble, a medium sized dark red lacinated type, hybridized by Allen Manuel, Canby OR.
- Hollyhill Peachy Keen, a small peach-colored incurved cactus type, hybridized by Margaret and Ted Kennedy, Oregon City OR.
- Skiple Swan Song, miniature white formal decorative, hybridized by Richard Williams, Snohomish WA.
- 20th Ave Old Major, a lavender ball type, hybridized by Rich Gibson, Hyattsville MD.
- Clearview Cinnabar, a dark pink stellar type, hybridized by Richard Parshall of Snohomish WA.
- Sandia Gold, a yellow waterlily type, hybridized by Sandy and Steve Boley, Sumas WA.

The **Lynn Dudley Medal**, awarded to the highest scoring new introductions evaluated at ADS sponsored shows in North America:

- Maks Marcus, a large orange semicactus type, hybridized by Allen Kaas, Woodinville WA.
- Lakeview Kaboom, a medium pink lacinated type, hybridized by Bernie Wilson of Snohomish WA.
- Hollyhill Peachy Keen, a small peach incurved cactus type, hybridized by Margaret and Ted Kennedy, Oregon City OR.
- 0th Ave Pure Prince, a mini lavender formal decorative, hybridized by Rich Gibson, Hyattsville MD.
- 0th Ave Old Major, a lavender ball type, hybridized by Rich Gibson, Hyattsville, MD.

The **Evie Gullikson Medal**, for the open centered new introduction scoring highest in trial gardens and ADS affiliated shows:

- Sungate's Clementine, a dark red mignon single type, hybridized by Eric Anderson, Bremerton WA.
- Kelsey Tinker, a yellow micro collarette, hybridized by Colin Walker of Renton WA.
