

The American Dahlia Society

FOR IMMEDIATE RELEASE

2022 Lynn B. Dudley Medal

The American Dahlia Society (ADS) has announced the winners of the 2022 Lynn B. Dudley Medal, honoring the top scoring new introductions in seedling evaluation competition held at ADS affiliated shows throughout North America:

Pictured left to right:

- Kimberly, a medium size purple lacinated form (B-LC-PR), hybridized by Don Kasanic of Farmington Hills, Michigan.
- R uthli, a small light blend semi cactus form (BB-SC-LB), hybridized by Iris Wallace of Santa Cruz, California.
- Newaukum Fun, a miniature variegated formal decorative (BB-SC-LB), hybridized by Wayne Lobaugh of Chehalis, Washington.
