

The American Dahlia Society

FOR IMMEDIATE RELEASE

2022 Evie Gullikson Medal

The American Dahlia Society (ADS) has announced the winners of the 2022 Evie Gullikson Medal, honoring the top scoring disc (open) center new introductions in ADS sponsored trial gardens and in ADS seedling evaluation competition throughout North America:

Picture left: Kelsey Neahkahnne - a dark pink collarette type, hybridized by Colin Walker of Renton, Washington.

Picture right: Kelsey Bramble - a purple micro collarette type (MCO-PR), hybridized by Colin Walker of Renton, Washington.

Colin Walker specializes in the hybridization of open center varieties and has been a frequent winner of the Gullikson medal.
