Over

We need the following materials to conduct the ADS Seedling Bench Evaluation competition at our 2025 show:

Please complete items 4 and 5 and sign your name.

1. **ADS SEEDLING BENCH EVALUATION ENTRY TAGS.** One is needed for each entry. One **MUST** be completed by the exhibitor before judging. You will receive one entry tag for each entry you estimate you will have at your show this year. These are updated each year — discard any old cards!
2. **SEEDLING EVALUATION SCORECARDS.** You will receive copies of the most recent update. You will need to reproduce these latest versions so you have enough copies for all team members. **Please discard all old scorecards and reproduce only the example you receive with your packet of 2025 supplies.**
3. **TRANSMITTAL SHEET.** You will automatically receive a transmittal sheet if you make application to conduct the ADS Seedling Bench Evaluation at your show.
4. **ADS SEEDLING AWARD RIBBONS.** One is needed only for the entries that score 85 points or more — **NOT EVERY ENTRY.**

We have \_\_\_\_\_ on hand and need \_\_\_\_\_ more.

5. **ADS ACHIEVEMENT RIBBON.** One is needed for the highest-scoring entry. Check the appropriate box.

☐ We have one on hand and don't need another

☐ We need an Achievement Rosette

We agree that the statistical information furnished above is correct and to the best of our knowledge.
