American Dahlia Society (ADS)
2023 Local Show Reports

Terri-Lynn Dodd with the 'King of the Show'
Tsuki Yori No Shisha
Alberta Dahlia and Gladiolus Society
Rumsey, Alberta, Canada 2023

Introduction

ADS no longer prints the local society show reports in a Supplement to the December Bulletin. We have made this decision for many reasons, some of which are:

- the printing and postage costs for the supplement have become prohibitive
- the supplement format limited the number of prizes and the number of shows that could be reported
- the supplement provided no opportunity for pictures

In lieu of the supplement, we are happy to provide an online report. **Thanks to all the societies that provided reports and pictures**. Each society was allowed pretty much latitude in formatting their reports. We had good participation.

The document has both a Table of Contents and bookmarks for ease of navigation.

If your society is not represented, please contact your local leadership.

This report is probably best read on a larger screen (as opposed to a tablet or a phone). The report is a pdf file with bookmarks. You may, depending on your chosen pdf reader, use the features of the pdf reader to increase the size and format of the report on the screen - a nice benefit on a data dense report such as this.

Enjoy reviewing the 2023 Dahlia Show season!
