Because of privacy considerations, the ADS will no longer publish hybridizers' contact information as part of bench evaluation and trial garden reports. Stock of varieties on release is typically available from commercial growers; a review of advertising in the ADS *Bulletin* will often lead to the source. Another avenue is to navigate to the DAHLIAaddict website (https://www.dahliaaddict.com/) and search for varieties you would like to purchase. See the October 2022 ADS *Bulletin* for an article on the DAHLIAaddict.
